

August 31, 2009

Parking Alert: I received an urgent call from the crossing guard this morning. She is only there to cross the younger students and none are coming to the corner. She has observed parents double parking across the street, getting out of their cars, and calling their children to jaywalk. Besides being against the law, this is very dangerous. She suggested that the children walk to the corner and she will cross them. Then they can go down the sidewalk to your cars. **We will lose the crossing guards if the younger students don't cross at the corners!** Please pass this message on to anyone you know who doesn't follow proper procedure. If you are reading this you are probably already following correct procedures.

Ice Cream Social: Thank you to the HSA for a wonderful evening. It was good to see so many of you there. This is the second opportunity you've had to see our newly renovated kitchen. The project was made possible by the generosity of our families and a large grant. The whole remodel was completed for just over \$100,000 (the tables alone cost \$58,000). We would like to thank everyone who helped.

After school extra curricular programs: Karate begins this week. Please send your registration forms and payment to the school office. For guitar or piano lessons, contact the instructors. Art class registration can be sent to the office. The forms have been attached to this letter.

Lunch Program: The lunch form for October is attached. Please be sure to complete it and send it to the office with payment by September 15th. A lunch card will be prepared for your child showing the days you have purchased lunch. This way your child is sure to get the lunches you bought. Milk is available for purchase daily for \$.25 a day. Please send a quarter with your child on the day you want milk. Otherwise, water is available. Thank you again to the parents who come to help with supervision. There is more supervision on the playground and in the lunchroom.

SCRIP: The first Scrip orders are due tomorrow, September 1st. Remember, it is very profitable if everyone participates and COSTS YOU NOTHING EXTRA! An order form is attached, but it is even easier to order online.

ROUNDUP: The first meeting of this year's Roundup was well attended. A number of exciting ideas were discussed. There will be another meeting tonight at 6:00PM in the school. All are welcome. We are still looking for some committee chairpersons and many helpers. If you can't attend, send an email and someone will get in touch with you. See attached flyer.

HSA Room Parents: We still need room parents for some grades. If you are interested, please contact Stephanie Metos at: skmetos@comcast.net and she will tell you what is expected of a room parent.

Parents' Night Out: The 8th grade class is sponsoring a fundraiser to benefit the Diocesan Good Samaritan Program. A check will be presented to the Bishop at the Diocesan 8th grade Mass at the Cathedral on September 23rd. Please see the attached flyer.

NO PARKING: Please remember that there is NO PARKING in the Rectory driveway. That space is for church and rectory visitors. Also remember **DON'T DOUBLE PARK AND LEAVE YOUR CAR.** The Traffic Department will be patrolling and you could get a ticket.

Tag Days: Tag Days are days on which the students are permitted to wear their own clothes to school in exchange for \$1.00. They usually have a theme. In September we will have a Tag Day on the 18th. The theme is to support the Judge football team by wearing their school colors (red and gold).

September Calendar: The September calendar is attached. Please print it and post it where you will see it. You can also find the monthly calendar on Centre. While there you can log in your volunteer hours. It's very easy.

Bulldog Boogie '09: This annual event is sponsored by the Judge Memorial HS Dance Department. It is open to students 5yrs old and up. The students perform at halftime at the Sept. 18th football game. See the attached flyer.
