

Attention Our Lady of Lourdes Families:

Enclosed are ways that you can help Our Lady of Lourdes earn additional funds. Please take a moment to look through this packet and find out how you can participate.

The proceeds from all incentive programs are put towards special activities for the students, such as field trips and breakfast with Santa.

- If you are currently registered with the Smith's Earn and Learn program you will need to reactive your school link for the 2009/2010 school year.
- (Last year our school earned almost \$2500 with only 88 participants in the program. Please ask friends and family to register and support our school).
- If you shop at Dan's grocery all you need to do is save you receipts write OLOL and your name on the back and drop them in the box outside of the office.
- We are also sending in Ink cartridges for recycling. We can send in any cartridges that fit in the palm of your hand. Toner cartridges cannot be recycled through this program. Please drop your cartridges in the collection box at the office.
- Please continue to collect and turn in you Box Tops and Campbell's UPC labels. If you attach them to the enclosed collection sheets our school earns extra points.

Thanks for your support.
