

September 14, 2009

School Directory: Each student's Monday envelope contains a letter with your contact information. Please check this sheet for errors, make any necessary corrections, and return it to school by Wednesday, September 16th. We will be using this information to produce the school directory and want to be sure your information is correct.

Monday Envelope: Please check today's Monday Envelope. It will contain copies of missing paperwork. **Please complete the forms and return them to school tomorrow, Tuesday, September 15th.**

Grandparents' Day: Grandparents' / Grandfriends' Day was WONDERFUL. A special thank you goes out to the HSA, especially Stephanie Metos and the room parents who helped to set it up.

Tag Days: This Friday is our first Tag Day. Students who bring \$1.00 to school may wear their own clothes. The theme is to support the Judge football team by wearing their school colors (red and gold). Remember that appropriate school dress is required: clothing with holes, bare midriffs, spaghetti straps or sleeveless tops, short shorts and mini skirts, and low riding pants are not permitted.

Altar Servers: Fr. JJ would like to start a training class for altar servers. It will be open to 5th & 6th grade girls and boys at our school. The class will begin on Wednesday September 23rd and run from 3:00 – 3:30. The students will be able to serve at the school and Sunday masses as well as for occasional funeral masses. Please complete the attached form and return it to the school office so Fr. JJ knows how many to expect.

MATHCOUNTS Begins: MATHCOUNTS is a national enrichment club and competition program that promotes middle school mathematics achievement through grassroots involvement in every U.S. state and territory. MATHCOUNTS inspires excellence, confidence and curiosity in U.S. middle school students through fun and challenging math programs. MATHCOUNTS is providing today's students with the foundation for success in science, technology, engineering and mathematics careers. Mrs. Jackson is the moderator of the OLOL MATHCOUNTS program which is held on Thursdays from 3:15-4:15 for students in grades 6, 7, & 8. See the attached flyer.

Lunch Orders: Remember that lunch order forms for October are due tomorrow, September 15th. Please save the menu portion of the order form and mark it with the lunches you bought if you don't buy for the whole month. That way you will remember which days you need to send a lunch with your child.

Scrip: Scrip orders are due on Tuesday, September 15th. You can order online, print your order form, and send it to school with your check or use the attached order form.

8th Grade Bake Sale: The 8th grade is sponsoring a bake sale on Thursday and Friday (September 17th * 18th) to raise money for Good Samaritan. 50¢ will buy a treat!

EDP: Please remember to carry your EDP door code with you. After 3:30, there is no one at the front door to let you in. When you enter the gym door, there is a white board on the wall to your right. It will tell you where your children are that afternoon. Please remember that students who stay regularly must pre-pay for EDP.
