SCRIP CARDS ARE PURCHASED AND OPERATE LIKE CASH. Gift cards are available through a national provider and are available for hundreds of local, national, and online retailers. Grocery stores, gas stations, restaurants and retailers are included on the diverse list of scrip participants. The value of scrip is that the school purchases gift cards at a discount and sells them to you at face value. The difference is kept by the school to use for various programs. For example, a family buying a \$100 scrip card to a grocery store will receive a \$100 value in the form of a gift card. The grocery store sells the gift card to the school for \$95. The school keeps the \$5. The percentage varies by retailers ranging anywhere from 1% to 13%.

REASONS TO USE OUR GIFT CARD PROGRAM (SCRIP)!

1. **YOU CAN GET A TAX DEDUCTION.** Deduct the percentage the school keeps on each transaction and write it off on your taxes. Just fill out the SCRIP agreement available on the website and turn it into the school. Each January you will receive a rebate summary. In the grocery store example above, the \$5 that the school keeps can be deductible to you at tax time.

OR

YOU CAN GET SERVICE HOURS. For every \$20 you generate in "profit" for the school (really the same amount you would deduct for your taxes if you used that option) you get 1 hour of service. . Using the grocery store as an example again, for every \$400 in scrip you buy you get 1 parent hour.

2. **YOU CAN ORDER AND PAY ONLINE.** We have been ordering online for several years and have recently been able to pay online from a checking account for about two years using **PrestoPay**. For a small fee (currently \$0.39 per transaction) you can have your payment deducted directly out of your checking account - no more writing check to the school. A PrestoPay account will take a few days to complete, so plan ahead!
3. **YOU CAN RECHARGE YOUR GIFT CARDS PURCHASED THROUGH THE SCHOOL ONLINE!** You can get an automatic recharge through the school if you recharge online and pay with PrestoPay. Go to www.shopwithscrip.com and click on the recycle icon at the bottom of the page for more information. This will only work on cards purchased through the school!
4. **YOU CAN GET NEW GIFT CARDS DELIVERED DIRECTLY TO YOUR PRINTER!** Using the new **ScripNow!** Order online, pay with PrestoPay, and you will have your ecard in less than 30 minutes. If you pay with a check to the school it will have to wait until you bring a check to school and the scrip coordinator approves your order. You print out your card and take it to your retailer as if it were a plastic gift card or paper certificate. (I have tried Amazon.com and had my gift card in about 4 minutes! I have also tried Home Depot last weekend - worked like a charm.)
5. **YOU CAN HELP THE SCHOOL GENERATE NEEDED FUNDS AT NO ADDITIONAL COST TO YOU.** (With the exception of \$0.39 if you use PrestoPay)

To enroll online in our gift card program go to www.shopwithscrip.com and click on "Family Sign Up!" You will be required to input a minimum amount of information such as an email address. You will be asked for an enrollment code. Ours is **DE535D8F1LLL1**.
