## *Principal's Message – Friday, September 23, 2011*

**AFTER SCHOOL ACTIVITIES:** After school activities are dismissed to the EDP room and must be picked up on time to avoid EDP fees. If you want to pick your child up from the classroom, please enter and exit through EDP.

**STUDENT DIRECTORIES:** If you were not in it and would like to be (or if there is a mistake in your information), please notify the office before October 1<sup>st</sup>. We will be sending home one addendum with additional names and corrections.

**TITLE I INFORMATION:** Today you are receiving a form to complete and return on Monday. Please read the letter and complete the form carefully. It is anonymous and identifies **the number** of families who would qualify for the government Free and Reduced Lunch Program. This does NOT mean you are registering for the program. We need this number in order to receive our share of the Title I funds. This funding helps provide services for those students from Title I schools who need supplemental help in math or reading regardless of whether or not they would receive free or reduced meals. Please return the form **before October 1<sup>st</sup>**.

**FRIDAY ENVELOPES:** The Friday Envelopes are a wonderful means of communication between school and home. It ensures that important messages don't get lost in the backpacks or under the car seats. Unfortunately, this procedure only works if the envelopes are returned and this is not happening in too many cases. Please check this envelope every Friday, remove what you need to keep, return what needs to come back to school, and put it back in your child's backpack so that we have it on the next Friday.

**SAT ASSESSMENTS:** All students in grades 2 – 8 will be taking the SAT assessments next week. There is nothing to study for. Please be sure that your children are here on time since students coming late will not be admitted to class once testing has begun. The purpose of these assessments is to see what the students have learned and to guide instruction and classroom curriculum. It is a useful tool for teachers and administrators. Students should be sure to get a good night's sleep and be sure to bring #2 pencils to school. You will receive results at the November conferences.

**PARENTS' NIGHT OUT:** The 8<sup>th</sup> grade class is sponsoring a Parents' Night Out next Friday (September 30<sup>th</sup>) from 6:00 – 9:00pm for students in grades Pre-k to 6. The cost is \$10.00 per student and the proceeds are going toward the chosen service project for the Annual Diocesan 8<sup>th</sup> Grade Bishop's Mass. Fun activities have been planned. See the attached flyer to register.

**SNOW PLOWING:** I know today is just the first day of fall, but we need to be prepared. I am looking for someone who has a snow plow and can plow the 45° angled parking spaces in front of the school only once a snowfall at 6:30am on school days. It's a good opportunity to take care of volunteer hours. Please contact the school office.

**KITCHEN TOWELS:** I am also looking for someone who can wash the kitchen towels and aprons every weekend. This is another good volunteer opportunity. Please contact the school office.
