

EXCITING CHANGES TO OUR GIFT CARD PROGRAM!

Our gift card supplier, Great Lake Scrip, has made some exciting changes to the program that will make it easier for you to use as well as give you tax benefits!

To enroll online in our gift card program go to www.shopwithscrip.com and click on "Family Sign Up!" You will be required to input a minimum amount of information such as an email address. You will be asked for an enrollment code. Ours is **DE535D8F1LLL1**.

- Deduct the percentage the school keeps on each transaction and write it off on your taxes.** To do this fill out the attached form and return it to the school. Each January you will receive a rebate summary that is similar to the sample below. This is an actual rebate summary from a family that participated in 2009. The scrip rebate of \$316.85 can be tax deductible if you itemize on your taxes!

- Order and pay online.** We have been ordering online for several years and have recently been able to pay online from a checking account for about one year using **PrestoPay**. For a small fee (currently \$0.39) you can have your payment deducted directly out of your checking account - no more writing check to the school. A PrestoPay account will take a few days to complete so plan ahead!
- Recharge your gift cards purchased through the school online!** You can get an automatic recharge through the school if you recharge online and pay with PrestoPay. Go to www.shopwithscrip.com and click on the recycle icon at the bottom of the page for more information. This will only work on cards purchased through the school! Currently you can recharge the following cards:

Banana Republic	Gap
Barnes & Noble Booksellers	Lowe's Home Improvement
Barnes & Noble College Bookstores	Old Navy
Burger King	Papa John's
Chevron	Piperlime
Exxon	Starbucks
- Get new gift cards delivered directly to your printer!** Using the new **ScripNow!** Order online, pay with PrestoPay, and you will have your ecard in 30 minutes. (If you pay with a check to the school it will have to wait until you bring a check to school and the scrip coordinator approves your order.) You print out your card and take it to your retailer as if it were a plastic gift card or paper certificate. Currently you can get ScripNow for the following retailers. More retailers will be added in the coming months. (I tried Amazon.com and had my gift card in about 4 minutes!)
