Hi All,

The first day went very well with only a few items that need tweaking. Parking was somewhat of a problem because some people did not follow procedures. **There is to be only one line of cars parked facing down the hill next to the angled parking spaces. Students are to get in to their cars quickly and the cars are to check for traffic and pull away. The remaining cars are to pull down the hill filling in those spaces. This makes room for other cars to get on the line. If you need to talk to other parents, please find an appropriate space to park. Always be on the lookout for students or cars when you pull away.**

Some important information:

1. There was a mistake in Sunday's email - **SEPTEMBER LUNCH ORDERS MUST BE PLACED ONLINE BY THIS THURSDAY - AUGUST 25TH.**
2. If you order lunch - print the menu and mark your days so you know when to send your child with a lunch.
3. If you order lunch - be sure to mark your child's correct classroom or teacher (whichever is on the drop down). This month has some children in the wrong classes and we want to make sure everyone gets served on time.
4. **Another important message** - there has been a change in the Teacher workday scheduled for Friday, October 29th. This is the only day the Bishop can have the annual 8th Grade Mass, so we will have school that day and be closed on Monday, October 31st. A corrected calendar can be found on our website.
5. The HSA is sponsoring an Ice Cream Social this Friday, August 26th from 6 - 9 at Sugar Beet Pavilion at Sugarhouse Park. All are invited to come and bring your own picnic dinner. The HSA will be providing ice cream sandwiches. See the attached flyer.

All in all, we are off to a good start and look forward to a very productive year.

Louise Herman
