Only three and a half weeks until the students return (two and a half for the teachers)! August 22nd is the first day of school for all the students.

We have been getting the school ready. Thanks to the HSA, we have been able to purchase new blinds for the classrooms on the south side of the building.

This should help with climate control while we search for a grant to purchase new windows and the rest of the blinds. The lights in the remaining classrooms are being updated thanks to the generosity of all who supported the Annual Appeal. We have received a donation for landscaping and sidewalk repair in front of the school. These projects should be completed before school starts.

We will be having our Back-to-School Night on August 18th at 7:00pm. It will begin in the OLOL gym and then move to the classrooms. Please plan on attending. It is a great opportunity to gather information to help your children get a good start to the new school year. Teachers will be giving you information about their expectations and procedures. It is for parents only.

The Parent and Student Handbook has been updated and is attached. You can also find it on our website. Please sign page 27 and return it to school with your student on August 22nd. A copy is attached.

The Monday Letter will change to the Friday Letter once school begins. This will coincide better with the communications the teachers send home on Fridays.

Each student will receive a Friday Envelope for all the loose papers they may have to bring home on Fridays. Please sign, date, and return the envelope every Monday.

Regular office hours (7:30-3:30) begin again on August 1st.

Enjoy the remainder of your summer.
